Miraculous Love Ministries

Greetings from David & Taylor Causer. Hope this letter about our new ministry really blesses you!

When talking about our ministry and its beginnings I think it's only fitting that I talk about where the name came from. Last December while I was attending Global's school, I began dreaming with God about starting my own ministry and what I wanted it to be about. I couldn't think of what to

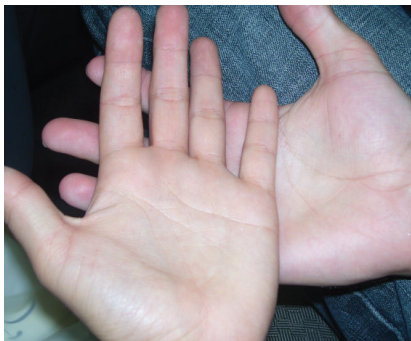

call it, but I knew a new I wanted to minister love to people. Not Just love people, but release God's love that's inside of me to people. I wrote in my journal that I wanted to minister with miracles signs and wonders, but I wanted this in love. Power and Love have to be demonstrated together. I want to release love, not as the world knows, but supernatural love that is foreign to most people. These

feelings came together to create Miraculous Love Ministries.

What's our mission?

Our mission is simple: To Live and preach a message of love. To do this our ministry will:

check our web site for more details

- Preach the gospel of the kingdom with the demonstration of true miracles signs and wonders.
- Take this gospel to churches and schools as well as in the marketplace and secular community. Reach out to the poor through helping and serving.
- Build relationships with Bethel's church ministry and other local ministries in order to partner with, and serve each other's needs.
- Pursue any ministry

- opportunities and invitations we receive, then select the one's we feel God's calling us to fulfill.
- Exercise the prophetic ministry and continue pressing into God for break-through into deeper levels of revelation and wisdom.
- Continue studying and receiving impartations through Bethel's and Global Awakening's school of the supernatural.
- We are positioning ourselves for availability!

Who are we ministering to?

We are ministering to anyone we run into! We are targeting several specific groups however. The poor and unreached of our city must be infiltrated with God's love. We are also incredibly passionate about healing anyone who has a physical condition. We want to see anyone we run into outside of the church that has a need receive. Also, we believe right now we are in a season to target the youth of this generation. It has also been on my heart to show real power and light to the "false spiritual" new-age crowd.

Our Status & Our Needs!

Our Status: Many people have been asking us about our ministry and what it is and how they can help us. We are a Non-Profit organization, created for the sole purpose of releasing the gospel of the Kingdom throughout the earth. **Our Needs:** Basically have three needs, which we are believing God to abundantly exceed our expectations according to His word. **1.)** We are raising a group of powerful prayer warriors for our ministry and need more! See the prayer partners section for more info. **2.)** Our recent move to California has created new opportunities for us, but at the same time moved us far from our friend and family in the east. We really desire relationship, and our purpose for this letter is to keep in touch. Right now we are compiling a list of people who want to receive updates of our ministry via letters and email. If you or you know someone who wants to receive this make sure you submit your contact info online or send us an email. **3.)** Financial support: We believe God has called us to spend our lives ministering and imparting to others all that He has given us. As we pursue releasing His Kingdom we know He will be faithful to fulfill all of our needs. At this point in our ministry we desire to minister everywhere that is available to us that God gives us a green light. While many of these places bless us with gifts and honorariums, this is simply not the goal for us. We desire to minister to be obedient to God, and let Him receive the glory due to His name! We want to bring God's message everywhere. As we continue to pursue these opportunities, many times the

Prayer Partners

We need powerful prayer warriors to release God's breakthrough! We want bold prayers of intercession offered up to God in praise and thankfulness, seeking His console and direction. The heavens can be opened through intercession, and many times its in this secret place the rhama word of God is released. I was recently in prayer, and felt the Lord telling me to seek 100 people for a powerful team of intercessors. If this is something you desire please join our team, we need you! expense of our ministry endeavors are not covered by the blessings we receive. This is not unexpected or a surprise to us, the cost of ministry has been very visible to me for years. But what an honor it is! As I write this, I can't keep tears out of my eyes as I think of God's faithfulness. This is our calling and we are incredibly passionate about it. Taylor and I are both also working secular jobs as well, but our focus is ministry. Anything we can do in order to be more faithful to His call and reach more people with God's extravagant love is worth it. We want you to consider partnering with us financially to help enable us to fulfill this call we have received from God. We know that God is always faithful and are confident that He will provide for all our needs. If you believe in our vision, and feel our ministry is something you want to support we would be very grateful. Romans 12 says that, "For as in one body we have many members, and the members do not all have the same function" We must each do our part together to change the world as one!

If you want to support what God is doing in America as well as other nations but can't go yourself, consider helping us minister. We are believing for monthly supporters as well as donations and one-time blessings. No matter how much or little you can give, we know even the smallest amount God can multiply!

And if I have prophetic powers, and understand all mysteries and all knowledge, and if I have all faith, so as to remove mountains, but have not love, I am nothing 1 Cor. 13

I hope this letter was a blessing and was as exciting for you to read it as it was for me to write it. It seems like in each section I had to cut things out to make everything fit! Check out our web site for more info on each of these subjects, as well as testimonies and more information about David and Taylor. Please stay in touch with us, and lets us know about your victories in Christ, and any prayer request you may have. Blessings
